## PEDIATRIC OPTOMETRISTS

Colorado Optometric Association (COA) is the professional organization of optometrists in Colorado. Over 600 Colorado Doctors of Optometry are voluntary members of the Association.

Click [HERE](#) for their directory of doctors. Note, use the “Refine your search – Special Emphasis” tabs to find optometrists that see children based on the age range – choose all that apply!

InfantSEE is a public health program, managed by Optometry Cares – The AOA Foundation. The program is designed to ensure that eye and vision care becomes an integral part of infant wellness care to improve a child's quality of life. Under this program, AOA member optometrists provide a no-cost comprehensive eye and vision assessment for infants 6-12 months old regardless of a family's income or access to insurance coverage.

Click [HERE](#) for their directory of doctors. Select “Offers No-Cost Infant Assessments.”
